BLESS AN ALABAMA CHURCH PLANTER THIS CHRISTMAS

This Christmas, adopt a church planter or replanter in Alabama and make a difference. You and your church or small group can make a personal connection with a planter's family and encourage them as they serve faithfully in their new plant.

SUGGESTED ITEMS FOR A CHRISTMAS CARE BOX:

- Hot cocoa/coffee package
- Cheese box
- Candy, chocolates, fruit
- Scented candles
- Books
- Age-appropriate games for the children in the family
- Gift cards
- Tickets to movies or Christmas events
- Blankets

Please take a picture of your church or group and send it with a Christmas card in the box to the planter and family you adopt.

We are committed to helping churches connect with our Alabama church planters. Thank you for your partnership in the Gospel.
