THEME:

John 13:34 -A new commandment I give unto you,
that ye love one another; as I have loved you, that ye
also love one another.

Join us as we spend the weekend exploring how we
can “love ye one another” as medical
professionals. We will spend time in God’s Word,
worship and fellowship as well as glean from the
wisdom of others. You should leave filled with
knowledge to enhance your professional career as
well as be fueled to live on mission for Christ using
the skills God has equipped you with.

** We are requesting that each participant bring an
item for nurse blessing bags that will be put
together for a North Alabama event. Items
suggestions include: trail mix (no nuts), chocolate
candy bars, peppermint candy, bags of popcorn,
cheese and crackers, breakfast bars, and individual
tissue packs.
