

Meet me in the LunchRoom!

These gatherings will be an opportunity to listen, share ideas and be encouraged in an area of ministry to women. Each of these core principles are vital in the life of ministry to women as we gather, grow and go.

IMPORTANT: When you check in at Renew, you will be asked to choose a Meet Up room. You will be given a ticket with your assigned LunchRoom. Enjoy!

Choose a LunchRoom Meet Up topic that you hope to grow in or that will spark some new creative ideas for you and your church.
