

**OPERATION  
EDUCATION**

# What is **Children's Missions Day 2023** all about?

Children's Missions Day is the perfect way to engage the children of your church in missions. On **Children's Missions Day (September 16, 2023)**, children in your church will join thousands of kids across North America to minister to people with the love of Jesus in unique, meaningful ways. Imagine the impact the church of Jesus Christ can have in North America when children lead their entire church family to minister in their community!

## **What will you do?**

**Serve your local schools through a project that demonstrates the love of God.**

- *Create a project* that meets the needs of someone who works for your school system or is served by your school.
- *Carry out your project* and share God's love with the people you serve.

**Remember:** The most memorable projects are ones that children lead themselves. Leaders, support the children as they decide on and carry out their Operation Education Children's Missions Day plan!

*"Don't let anyone look down on you because you are young. Set an example for the believers in what you say and in how you live. Also set an example in how you love and in what you believe. Show the believers how to be pure"*  
1 Timothy 4:12 (NirV).
