

MISSIONS JOURNEY *Kids*

Missions Journey: Kids is the new missions discipleship curriculum for children in grades 1-6 and for GA, RA, and CA groups. It will be available for use starting September 2021.

- Focuses on missions work in the USA and throughout the world
- Tailored to fit your church's needs - each lesson is easily adaptable, whether your group is large or small, or if you lead girls, boys or a coed group.

What is different?

- More robust Bible study!
- More in-depth missions study delivered in a simplified format!
- CA groups now have a magazine for their children in *Missions Journey: Kids Adventure*
- This streamlines the three children's curriculum product lines into one product line and keeps your church costs as low as possible.

Are they keeping GA, RA and CA?

YES! This newly designed curriculum format will provide the missions discipleship study for all three groups as well as providing suggestions for activities for GA, RA and CA, and giving monthly ideas for earning badges and patches, and tips for working through individualized achievement plans!
