

Now more than ever, the Church must commit to discipling young men as they follow Jesus and live on mission. By developing missions discipleship groups for boys, you create firsthand experiences that will mobilize them to live each day as ambassadors for Christ.

That's why we created **Royal Ambassadors (RA)**, our missions discipleship group for boys in grades 1–6. Watch your boys develop a heart for missions as they discover how missionaries are reaching the world around them. While studying missions here in the United States and around the world, boys will learn how they can get involved through praying, giving, and serving.
