Mission Friends Digital Package

The all new digital package provides resources for preschool leaders! Share your passion for Mission Friends with your church and community when you proudly display the Mission Friends logo, display the Mission Friends Door Sign, and take pictures with the First Day of Mission Friends placards.

This digital download includes T-shirt designs, Mission Friends graphics, social media graphics, photo props, Christian concept area posters, and more. Use the graphics in this pack to create classroom visuals and your own identity items such as T-shirts, coffee cups, aprons, and tote bags.
