PASTORS' WIVES *Retreat*

September 18-19, 2026 || WorldSong Missions Place || Cook Springs, Alabama

Pastors' wives carry both visible and invisible burdens. Come away for personal time with the Lord, reflection, and spiritual refreshment with other women who understand your unique challenges. Together we will:

- > *Strengthen skills for navigating conflict with grace*
- > *Reinforce identity in Christ over role in ministry*
- > *Process pain in a healthy, Biblical way*
- > *Learn to guard hearts without building walls*
