

Missions discipleship for teens instills a strong biblical framework, awakens in them a passion for the gospel of Jesus Christ, and provides opportunities for students to live out their faith in tangible ways.

*Missions Journey: Students* will help you equip your students to discover their roles as disciples of Jesus who live on mission.

With this innovative digital curriculum, your students will

- hear from missionaries on the field,
- discover how Scripture shapes each missionary's ministry,
- explore the needs in your community, and
- develop plans to meet those needs.

*Missions Journey: Students* is available as a full-year package or monthly units.
